

Please note: The Master of Osteopathy is a full-time degree programme. Students are generally timetabled to attend online/in person lectures, practical classes or clinic up to 5 days each week, with extended evening clinic hours in Years 3 and 4. Additional time is required outside of these hours for self-directed study and the completion of coursework. The following is an example Year 1 timetable provided for illustrative purposes only - module titles, timings and method of delivery are subject to change.

2022/2023 - YEAR 1 - SEMESTER 1

	9.00	10.00	11.00	12.00	13.00	14.00	15.00	16.00	17.00
Monday	9.00-10.30 Physiology Tutorials Lect. Theatre and streamed		11.00-12.30 Anatomy 1 Lect. Theatre and streamed			14.00-15.30 Physiology Lect. Theatre and streamed			
Tuesday	9.00-10.30 Anatomy 1 Tutorials Lect. Theatre and streamed		11.15-12.45 Technique Practice 1 Classroom			13.30-15.00 Technique Practice 1 - GOT Classroom			
Wednesday			11.15-12.45 Technique Practice 1 - Biomechanics - Streamed
